Re: OB-72 2024 Lissiah Hundley

Dear Ms. Chairwoman and Commissioners:

I am writing on behalf of the Mableton Improvement Coalition Board to recommend approval of this application with conditions. The proposed truck washing facility is appropriate for the industrial area but does have significant stormwater and floodplain issues that will impact the site. We recommend, therefore, that final approval be subject to all staff stormwater-related recommendations.

As always, thank you for the opportunity to be a part of the public comment process. If you have any questions, please feel free to contact me at 770 948-5394.

Sincerely,
